BUILD ASSIST PROGRAM

What We Need From You

- You will need to be here with us and your build for a minimum of 10 days
- 5 days at project start
- 5 days at project completion
- You can be involved as much as you would like- but involvement does not decrease build assist pricing.

Payment Schedule

1. \$5,000 non-refundable deposit due to lock in build assist slot
2. 25% of balance due on project start
3. 25% of balance due when project ready for covering/paint
4. 25% of balance due when project goes to final assembly
5. 25% of balance due on completion/ready to fly
